The staff of La Reata has worked hard (?) this year to produce the best yearbook in PHS history. Somehow, though, they have always seemed to be able to squeeze a party or two or three or four or five . . . in to help keep up the moral.

THE PAST CAN NOT BE
CHANGED; THE FUTURE
IS STILL IN OUR POWER

"Man hath a weary pilgrimage
As through the world he wends,
On every stage from youth to age,
Still discontent attends;
With heaviness he casts his eye,
Upon the road before,
And still remembers with a sigh,
The days that are no more"

GRADUATION

With Highest Distinction Brian Warner and Wanda Melton.

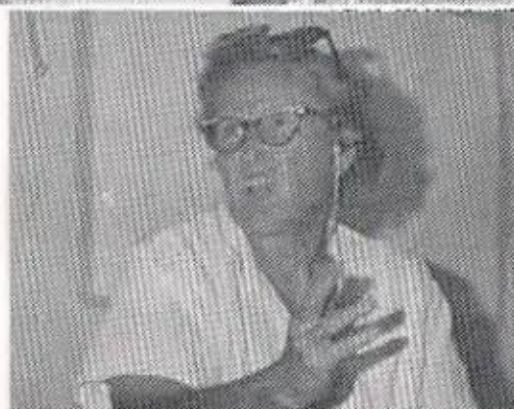

The high school is a harbor. The freshmen are the little boats that must keep near shore.

Sophomores hoist their sails, and the juniors throw away their oars.

The senior ship pulls the smaller ones when the rain begins to pour. But ships shall venture more.

A Rainbow?
Yes, a rainbow, of
Actions and events,
Words and ideas;
The red of wars
 and the blue of peace.
With yellow promises
 and purple betrayals.
Of green words
On orange papers;
Also of pink men
 seeking paradoxical
Truths, saying
 Black nothings while
 Searching for a white future.

BRONCS REPEAT AS A-STATE CHAMPS

Parker in the past was the perennial powerhouse of the B-West conference. Now with the clinching of the second consecutive Class A state crown, Parker again makes itself No. 1.

Although Ajo thought they were going to prove that Parker Broncs weren't so great, it just so happens that not too many people can.

We can not credit just the team for our victories. We have to remember Mr. Mundell's blue pea cap, and Mr. Maya's good luck trinkets. All of these with a real hard-hitting team, help to make "A State Championship."

1971 Prom King & Queen

Once a year there is an enchanted night when boys pin corsages on Prom dresses and take "that special girl" to the high school prom.

For months before this evening, girls everywhere worry and hope that one special guy will say; "Will you go to the Prom with me?"

At Parker High on this bewitched evening the gym will be decorated with a romantic touch and that long awaited evening will begin.

This year the Girls' Service Club has contributed their time and services to make Parker High on top. One of the girls begins the day with a cheerful, but serious pledge to show their loyalty to our country. To show their loyalty to our school they served at the annual Sports Banquets, the Homecoming Bar-B-Que, helped with officer elections, and sold carnations for the Sunshine Club.

The purpose of F.T.A. is to further the goals of education and prepare future teachers for their profession. The FHA is a National organization of girls interested in Homemaking. The requirements for joining are to be in or to have had one semester of Homemaking.

Each year the Parker FHA sends out the Homecoming invitations to alumni. This takes many noon hours of hard work.

In the fall the District FHA Convention is held. This year it was in Antelope.

Around Christmas they had several money-making projects such as candy selling to make money for sponsoring a family. The girls baked, made gifts, bought gifts, and trimmed a tree for the family.

Every school should have an understanding administration. These men and women must be competent leaders that help mold the girls and boys of our school into outstanding individuals.

Here at Parker High, our administration, even the secretaries in the office, try to do just that. They work to make our school well-known for its relaxed attitude but good discipline.

*Paul
Huttenuth*

We have tried this past year to achieve more than the publication of a years activities. The aspirations and realities of P.H.S. students from many points of view has been our prime objective. We could not have done this without the enthusiastic cooperation from Julia Miller, the Yearbook House, our marvelous staff, nor without the great enthusiasm, counseling and approval of Miss Linda Hakkinen.
